

Your unique ideas at factory price.

WHO WE ARE.

Your Own Logo is a clothing manufacturer with incorporated design studio providing innovative clothing solutions for businesses and other entities that help to boost their sales and brand image. What makes our collections unique is our collective experience in outstanding design, our top notch production and 20 years of continuous success in the apparel industry.

Your Own Logo disintermediates the clothing industry, being one of only a handful clothing manufacturers worldwide that sells directly B2B. Having design and production in-house as well as having no middlemen involved allows us to offer world class quality apparel at factory price - leaving our customers with higher profit margins on their collections.

All garments of Your Own Logo are produced in our very own factory in the beautiful and vibrant city of Bangkok. This is how we make sure that all our apparel is made in an ethical way under fair manufacturing conditions.

On top of our outstanding quality we provide added value to our customers in form of:

- Free design ideas (if needed)
- A free pre production sample
- Free personalised labels and hangtags
- Free 3D product photography

Among our esteemed customer are companies, sports teams, events, hotels and even people who start their own fashion brand.

We are looking forward to also hearing about your ideas.

HOW WE TURN YOUR UNIQUE IDEA INTO REALITY.

Tell us your creative ideas and inspire us. You can also send us images, logos or colour samples. Or let us fully inspire you with our own design ideas. It is completely up to you how much you want to become involved.

"I was thinking about something like a white shirt with red print on it saying, Courchevel – Les trois vallees. I have attached an image of a Quicksilver shirt. I really like their style so maybe you can do something similar in regards to the font and design."

OUR STRENGTHS.

Free Design through our creative studio

Our international design studio has created and executed designs for numerous businesses and prestigious brands around the world. What stands out is that our design service is completely free for our customers. We let them decide themselves how much they want to get involved in the design of their clothing collection.collection.

Factory Price

Because our clients are buying straight from the factory they are actually able to save huge amounts by not paying the numerous middlemen that usually take a cut. Having no intermediaries involved allows Your Own Logo to offer world class quality apparel at factory price. Consequently our customers experience higher profit margins with our products.

Outstanding Quality

Our 20 years of success in the apparel industry simply don't lie. It shows our workmanship, quality and innovation. Our team constantly strives to be on top of the latest developments in the industry both in terms of fashion and technology. Our factory is equipped with the latest high tech machinery. We carefully select our fabrics from high quality and sustainable producers.

Understanding our clients needs

We at Your Own Logo look at each project as a partnership in which we first want to learn and understand what our clients want to achieve through our clothing. Our project manager then present sketches to you. In case you are satisfied, we then send you a free sample before starting the final production.

Added value

What further on makes us stand out is that we provide each client with free packing as well as free professional 3D product photography. Our clients can use those 3D images and use them on their website or for their marketing material. That means that they can start selling online before the collection even arrives.
